

Fig.1

Fig.1 is a schematic cross-sectional view of a building structure. The structure consists of a central vertical shaft (10) and two side walls (2). The shaft is supported by a base (1) and a top (7). The walls are supported by a base (3) and a top (7). The shaft is divided into sections (14, 15, 16, 17, 18) and contains a central column (12). The walls are divided into sections (4, 5, 6, 19, 20, 21) and contain a central column (12). The shaft is supported by a base (1) and a top (7). The walls are supported by a base (3) and a top (7). The shaft is divided into sections (14, 15, 16, 17, 18) and contains a central column (12). The walls are divided into sections (4, 5, 6, 19, 20, 21) and contain a central column (12).
